Dear, what happened to my child...
That is...
TEARY...
It's because of the members of Jeok-Ryong-Dan who escaped yesterday. The blade that he got stabbed with was dipped in poison.
D-Did you just say... poison...?
OH NO! NO! SHI-BAEK...
open!
The doctor is here!
I HEARD THERE'S A POISONED PATIENT!

What... You are not Dr. Heo!
Where has Dr. Heo...
rush
Dr. Heo has left to a neighboring village to make house calls!
Since I heard the patient is in a critical state, for now I have come as the pupil of Dr. Heo.
touch
No, the wound has already... How long has it been since he was poisoned?
I-I'm not sure...

Because he moved around a lot after being poisoned, the poison seems to have spread out the body quite a lot.
lick
Also, the poison that's been used is perhaps...

Seems to be Jebi poison.
Spit
Then the antidote...
I can make it but the materials are...
All right. Then, Kyeong-up—
Stand up
Yes.
I'm sorry but you should help the doctor make an antidote.
Yes. I under-stand.
I will let the Governor know about this matter and look for Dr. Heo's whereabouts.
Mother! What about me?
You should stay and watch Shi-baek. Gye-hwa, make sure to take care of both lady and young master--!

anxious
What's wrong suddenly! Ah, He...Here have some water...
anxious
Wait a moment, Lady!
You can't give him water. If you drink water while being poisoned by Jin-Baek poison, it'll only spread the poison further.
Please hold young master! It'll be dangerous if he moves now!
GRAB
PANT...
Huh...? R...Right!
SHAKE
SHAKE

But what do you mean, Jin-Baek poison? The doctor said it was Je-bi something!
push
That doctor... mistook the poison
The smell is similar to Je-bi poison, but this convulsion symptom is definitely Jin-Baek poison.
It's a poison far more dangerous than Je-bi poison.
Ugh
What!?
Lady, first please put the cold wet towel on young master's forehead
O... okay...
...It's only been 6 hours since being poisoned... So he's okay still.
Besides there's no way the expensive undiluted Jin-Baek poison will be supplied to some low underling...
mumble
-----!?
mumble
The symptoms of poison were also delayed...

LIMP
!!
Phew... He's calmed down...
Yeah...
Phew
But Gye-hwa...
Yes?
How... did you know all that...?
!!
